

Bluebell House

Region: London Sleeps: 8

Overview

This beautiful four-bedroom home located near Wimbledon offers a fresh take on a family-friendly classic. The home blends contemporary design and flourishes of bold colour with traditional French windows and a soft, neutral palette, creating a serene and welcoming atmosphere for families.

Upon entering the home, guests are greeted by an open-plan living room with sunshine yellows set against soft sky blues. The decor sets the tone for the rest of the home and creates an inviting, calming space. The living room leads seamlessly into the modern, well-equipped kitchen, a masterclass in modern simplicity. With pendant lighting and polished wood surfaces, the kitchen is perfect for cooking up a storm or enjoying coffee with loved ones.

Large windows throughout the property flood the space with natural light and create a bright and airy feel, with the living room opening onto a beautifully furnished patio garden. The garden is the perfect place to enjoy the great outdoors and relax with a book on the cosy outdoor sofa, a dining area, and maintenance-free AstroTurfing. Even during one of our excitingly unpredictable British summers, a handy marquee awning means that eating al fresco is always an option.

The bedrooms are contemporary in design, with cheerful strokes of colour and big windows that allow for plenty of natural light. The rooms are designed with families in mind and offer ample space and storage for everyone. We know that those longer vacations can test family relations, which is why the two living rooms offer a welcome choice of relaxing together or separately. And if that doesn't keep the peace, two TVs means double the Netflix, so everyone can find something to watch.

With the famous Wimbledon tennis grounds just a stone's throw away, there is also the option to get stuck into the action (and the obligatory strawberries and cream) up close at Centre Court or from the comfort of home. Wimbledon Village, a quaint enclave with a variety of shops and restaurants, is also nearby, providing ample opportunities for exploring and enjoying everything the area offers.

Overall, Bluebell House is a beautifully designed family home that perfectly blends contemporary style and comfort. It is the ideal location for families looking for a relaxing, stress-free vacation.
