The estate also features three rolling olive groves with over one hundred and twenty mature trees, an organic chicken coop and a field where sheep and goats reside. With the shimmering turquoise waters of the Adriatic Sea stretching out over the horizon, the estate offers a genuinely rejuvenating holiday setting that encapsulates the unique beauty of Brač.

Those searching for active pursuits can walk along a section of the Via Brattia, a circular walking trail connecting twelve of the island's most impressive historical sites with scenic natural locations. Hiking enthusiasts will be spellbound by the sweeping views from the summit of Vidova Gora, Brač's highest peak. As well as a wealth of hiking and trekking routes, Brač also offers its visitors twenty-five challenging biking trails, which guests at Villa Elaina can undertake on one of the villa's complimentary bicycles. Scooters, quad bikes and other vehicles are available for rent in the nearby town of Supetar.

Brač's northern coastline offers visitors a treasure trove of stunning beaches to explore, from the secluded shores of Splitska Beach to the hidden coves and inlets of Postira, a town that also boasts lively beaches and plenty of excellent restaurants. Lovrečina Bay is one of the island's best-known beauty spots, offering an idyllic stretch of white sands and crystalline waters. The road to the vibrant town of Supetar boasts a string of gorgeous beaches, while the famous shores of Zlatni Rat Beach in Bol are roughly a forty-minute drive away. The team will happily arrange speedboat and jet ski rentals or private catamaran tours for you and your loved ones. At the same time, water taxis are available to take you to nearby Split or the neighbouring island of Hvar for a day of sightseeing or an unforgettable night out.

Closer to home, the bustling medieval streets of Supetar offer plenty of cultural highlights, while the pretty Mediterranean town of Pučišća is known for its romantic architecture and proud culture of stone masonry. Here, visitors can wander the town's narrow streets and enjoy the breathtaking sights of Renaissance palaces and Baroque buildings made from the island's traditional white limestone.
