

Villa Taja

Region: Central Slovenia **Sleeps: 8 - 10**

Overview

Nestled within the spectacular natural beauty of the Ko?evje forests, Villa Taja offers up to ten guests the opportunity to enjoy a truly relaxing and rejuvenating retreat in stunning southeastern Slovenia. Designed with comfort, nourishment and slow living in mind, the contemporary four-bedroom property was sustainably constructed in 2022, with a unique location amidst the ruins of the ancient village of Sredgora in Ko?evje. Natural materials such as locally sourced stone and wood from the surrounding oak forests give the villa its harmonious feel, while a range of modern facilities including a Finnish sauna and an outdoor jacuzzi provide guests with plenty of contemporary comfort. With beautiful hiking and biking trails on your doorstep, Villa Taja is the ideal place to step back into nature with your loved ones whilst enjoying an unforgettable holiday experience in the Slovenian countryside.

Begin each morning in the villa's sunny courtyard, where you can sip a freshly brewed cup of coffee as you breathe in the forest air and admire the greenery of the herb and vegetable garden. Spend the rest of the day hiking in the peaceful forest or relaxing in the expansive garden in the warm sunshine. The villa offers plenty of space for family fun and games. When evening comes, you can enjoy a sunset dip in the outdoor jacuzzi, where you will feel the day's adventures melt away in the soothing waters. Villa Taja's terrace features a well-appointed summer kitchen with barbecue facilities, ideal for family gatherings during the warmer months. Later on, everyone can come together to relax by the warm glow of the outdoor firepit as the stars begin to appear.

Inside Villa Taja, guests will find a welcoming open-plan living space, featuring a cosy lounge area with comfortable sofas, a home library, a stove and idyllic forest views. Adjacent to the lounge area is a charming dining area, where everyone can enjoy a delicious home-cooked meal whilst discussing the day's adventures. The villa's spacious contemporary kitchen offers custom-made furniture and a range of modern appliances, with a selection of excellent local wines and products from local food producers also available on site. Suspended above the lounge area, there is a quirky hammock-style net on the first floor, providing you with the perfect place to relax with a good book or enjoy a quiet family moment.

The villa features four double bedrooms, each offering a restful ambience and relaxed, understated décor that perfectly encapsulates the effortless natural beauty of the surrounding area. Two modern bathrooms with walk-in showers

are also available at Villa Taja. After a day spent hiking in the woodlands or cycling in the countryside, a visit to the villa's private Finnish sauna is a great way to unwind before dinner. The lower part of the villa is a service space used by Mojca, the host of Villa Taja, who is happy to bake fresh bread and prepare delicious meals using fresh local produce for guests to enjoy.

Location & Local Information

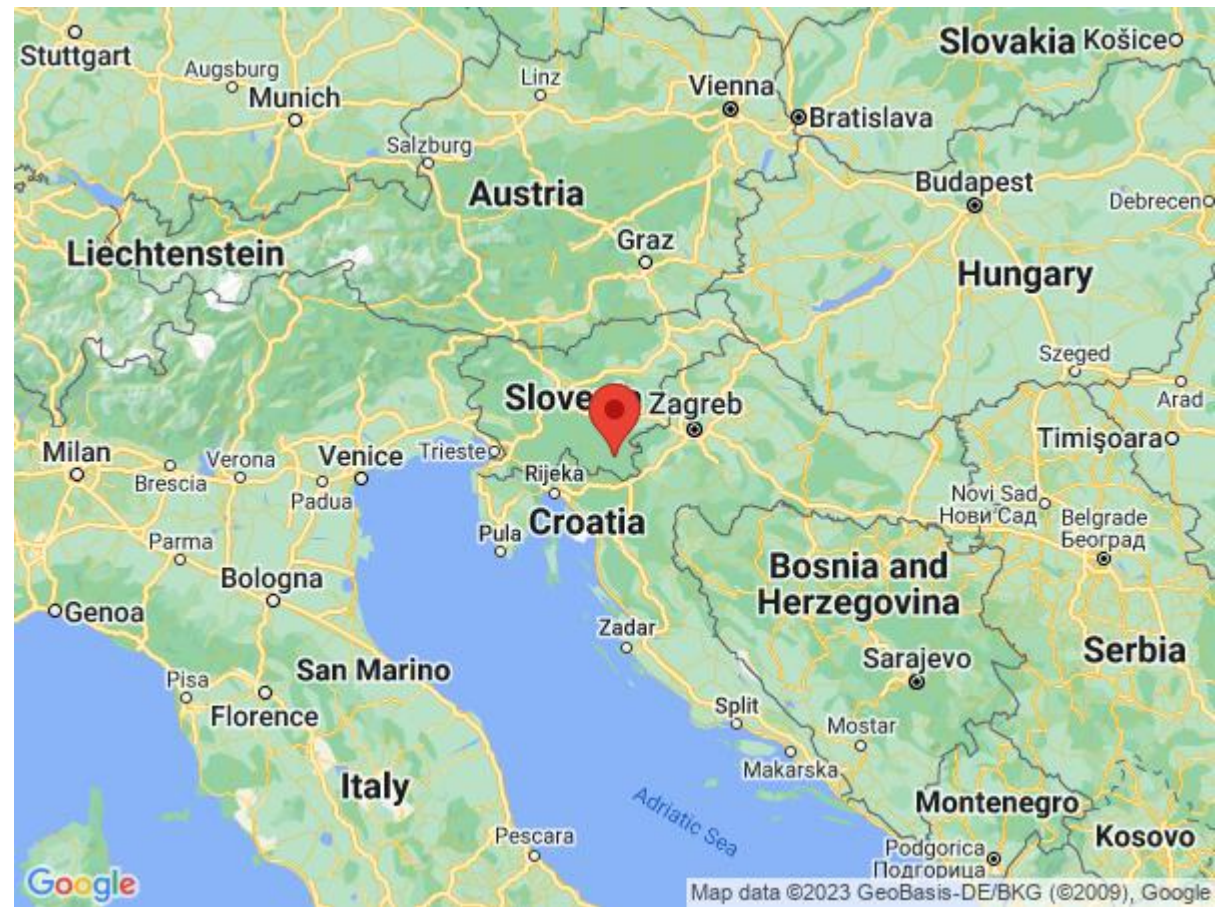

Surrounded by the deep and beautiful woodlands of Slovenia's most forested landscape, Villa Taja is located in the Kočevje region, with a treasure trove of natural wonders on its doorstep. The villa is perfectly placed for guests to make the most of some of the country's most scenic hiking and biking trails, which lead through the peaceful forest and into the surrounding countryside. Whatever the season, Villa Taja offers visitors an unforgettable escape from the hustle and bustle of everyday life in a truly unique holiday setting.

Close to home, visitors can spend sunny mornings hiking around Mirna Gora, a picturesque peak with a with many family-friendly trails and a traditional mountain lodge where you can stop to enjoy a delicious lunch. At Villa Taja, you can also rent electric bikes, leaving you free to explore your natural surroundings with ease. For something a little different, why not arrange a walking tour with your host? Your host Mojca is a font of knowledge when it comes to local traditions and customs, as well as the diverse flora and fauna of the centuries-old forests of Kočevje.

Only half an hour away from Villa Taja by car, the Lahinja Landscape Park is a network of wetlands hidden amongst the distinctive karst landscapes of Slovenia. Here, the waters of the River Lahinja meander through golden fields of wheat, taking in natural springs, hidden sinkholes and mysterious caves along the way. With a fantastic bird observatory and nature reserve, the park is home to a wide variety of wildlife, including beavers, otters and kingfishers. This is the perfect place to enjoy an authentic day out in the Slovenian countryside, where the wetlands and meadows provide a sharp contrast to the dense forests of Kočevje.

Also located in the White Carniola region, the crystal-clear waters of the River Kolpa offer visitors plenty of opportunities to enjoy a wealth of water sports, as well as swimming and sunbathing on the verdant riverbanks during the warm summer months. From spring to autumn, visitors to the Kolpa Landscape Park can have a go at paddleboarding, kayaking and rafting along the river, with great views of your idyllic surroundings from the water.

The forests of Kočevje are just as beautiful during the winter months, when Villa Taja becomes a cosy haven, blanketed in white snow. Only a twenty-five-minute drive away from the villa, the Gače Ski Centre offers a small, friendly resort with excellent slopes for beginners and intermediate skiers and snowboarders. Later on, return to your warm and welcoming villa in time for a visit to the sauna or a private massage with an experienced masseuse, before curling up in front of the fireplace with a glass of the local wine.
