Location & Local Information

Port d'Andratx enjoys a picturesque setting located around 5km from Andratx town. Many consider it the loveliest harbour in the Mediterranean – it's a stylish port, with a well-maintained and equipped yacht club offering more than 450 berths. This place is not only a working fishing port, it is a playground for the rich and famous who want to stay under the radar. Although it has many restaurants to suit the yachting set, Port d'Andratx is still a working fishing port where you can sit outside one of the many cafés and bars watching the bustle of daily maritime life. The two beaches here are very small but there are larger beaches very nearby plus excursions, luxury spas and golf.

Tucked round the corner from Port d'Andratx, Cala Llamp Bay has one of the most stunning views in Mallorca. The Tramuntana mountains create high cliffs all around, forming a crescent bay with calm, beautifully clear water. It's probably better suited to those not so interested in sunbathing but in swimming in the lovely waters and exploring the rock pools, which many families enjoy.

Palma is Mallorca's vibrant capital, stylish and intimate, yet bursting with life. Half of the island's population dwells in this city, lively all year round with luxury hotels, trendy restaurants, cafes, shops and nightlife as well as a thriving art scene. It's often compared to Barcelona and, being within a 15-minute taxi ride from the airport, it makes for the perfect city break.
