What we love

- Being just steps away from the ski slopes was a dream come true for ski enthusiasts like us – we were up and out each day with no hassle, just pure fun in the snow!
- The private spa and indoor heated pool were the perfect thing to return home to each day after an exhilarating day on the mountain.
- The bunk bedroom was perfect for our kids during our stay and they loved having their own dedicated hideaway.

What you should know...

- While Courchevel offers vibrant après-ski scenes, the overall nightlife scene is not as large as those in other resorts, so it may not be suitable for groups looking for a lively holiday.
- Please ensure that children are supervised at all times when using the chalet's wellness facilities.
- Please let us know at the time of booking if you are planning to travel with infants so that the chalet staff can arrange for highchairs and baby cots to be set up ahead of your arrival.
