However, the lively town centre of Budva is located just 2.5km away, while Montenegro's stunning coastal gems and diverse natural landscapes lie waiting to be discovered.

As soon as you arrive, you will be enchanted by the sparkling Adriatic Sea, beckoning you to discover Montenegro's sandy shores. The Budva Riviera is home to seventeen beautiful Adriatic beaches, including the turquoise waters of Jaz Beach, Becici Beach's vibrant atmosphere and the spectacular Mogren Beach, secluded by green hilltops. From Villa Cetia, the crystal-clear waters of Kamenovo Beach are half an hour's drive away.

Budva's coastline offers a wide array of watersports and recreational activities, including stand-up paddle boarding, sea kayaking and jet skiing. Visitors can also enjoy a boat trip to the dramatic cliffs of Sveti Nikola. This beautiful, rugged island is affectionately known as 'Montenegrin Hawaii' to locals, thanks to its stunning blue waters.

The country's cuisine combines Mediterranean and Balkan flavours, providing visitors with exquisite delicacies. There is a focus on local, seasonal produce here, with seafood, grilled meat and fresh vegetables making up some of the delicious dishes to be found along the coast. For a traditional Balkan breakfast, try some burek, a tasty, savoury pastry fresh from a local bakery. Black risotto and Montenegrin buzara are two seafood specialities, while Rakija, a strong fruit brandy, is Montenegro's national drink.

After a morning spent wandering Budva's labyrinthine cobbled streets, don't forget to visit the town's famous Ballerina Statue, an iconic attraction with a stunning backdrop. Work up an appetite by walking the town's historic walls or make your way up to the Citadel, located at the top of the old town, where you can enjoy a leisurely lunch with panoramic views. For those who wish to experience the town's atmospheric nightlife, plenty of excellent restaurants and lively bars are dotted around the old town.

Should you wish to travel further afield, Montenegro is home to five national parks, each with its own unique charm. Approximately an hour and a half away from Villa Cetia, Skadar Lake National Park is a wondrous natural beauty spot featuring the largest lake in the Balkans. Here, visitors can hike and bike to their hearts' content before stopping for a swim in the lake's rejuvenating waters. If the sandy beaches of the Adriatic coastline weren't enough, Lake Skadar is home to the fine white pebbles and scenic waters of Murice Beach, as well as the picturesque Pjesacac Beach, a secluded spot that is only

accessible by boat.

The medieval town of Kotor is around forty minutes away from the villa by car. Here, visitors can enjoy dreamlike vistas of the Bay of Kotor, majestic coastal mountains, Venetian architecture and winding cobblestone streets. Take in the sights, including St. Tryphon's Cathedral and the old clock tower on the Square of Arms, before making your way home to your private oasis at Villa Cetia in time for a sunset swim in the private pool and dinner with a view on the terrace.
