Location & Local Information

Villa Sea Feather is located on Palm Island, a small yet beautiful Caribbean island situated in the Grenadines. Formerly known as Prune Island, this exclusive and relaxing destination is home to no less than five glorious beaches of silky-soft sand, palm trees and turquoise waters - the perfect destination for those looking to unwind and get away from it all. The island is home to the luxurious Palm Island Beach Club Hotel, which features incredible spa facilities, and a plant nursery which cultivates fresh produce for the resort's amazing restaurants.

Palm Island is a haven for wildlife, and guests staying on the island will be able to spot iguanas, geckos and hermit crabs during their stay. Life here moves at a slow, relaxed pace, with visitors spending their time reading and relaxing on the beach or enjoying leisurely games of tennis and croquet. Kayaking and snorkelling are also popular pastimes on Palm Island, and for a truly memorable experience, be sure to take a swim with the sea turtles in the crystal clear waters. Other 'must-do' activities during your stay are walking or cycling, and there are three nature trails on the island to choose from, all of which will take you through Palm Island's lush vegetation, where you can spot exotic birds as well as some of the other local fauna. Boat excursions are also available if you want to venture out and explore some of the other Grenadine archipelago islands. However, if you really can't tear yourself away from the white sandy beaches, why not enjoy delicious local fare at the beachside restaurants, book a private hammock picnic, or enjoy yoga and meditation at the thatched-roof beach pavilion.

With its romantic setting and quiet, private atmosphere, it won't come as a surprise that Palm Island is a dream location for couples celebrating their honeymoon, an anniversary - or even as a spot to pop the question! The resort features glorious spa facilities, including treatment rooms and hot tubs - perfect for an afternoon of indulgent luxury, before soaking with a glass of champagne and taking in the breathtaking Grenadine sunsets.
