Location & Local Information

This beautiful villa is part of the exclusive Palm Island resort, situated on a small yet beautiful Caribbean island situated in the Grenadines. Formerly known as Prune Island, this incredible destination features five stunning beaches of silky-soft sand, palm trees and turquoise waters and is the perfect destination for groups who want to unwind and get away from it all. Guests staying on the island can enjoy the resort's incredible spa facilities and amazing restaurants, with a golf buggy provided to transport you to and fro.

Palm Island is a haven for wildlife, and during your stay, you'll be able to spot iguanas, geckos and hermit crabs. Life here on the island moves at a slow, relaxed pace, with visitors spending their time reading or sunning themselves on the beach or enjoying leisurely games of tennis and croquet. Kayaking, snorkelling and other water sports are popular pastimes with guests here, and for a truly memorable experience, Oliver recommends booking an excursion to swim with the sea turtles in the crystal clear waters. Other 'must-do' activities during your stay are walking or cycling along the three nature trails on the island. Here you can meander through Palm Island's lush vegetation, spotting exotic birds as well as some of the other local fauna on your travels. Boat trips are also available if you and your group want to venture out and explore some of the other Grenadine archipelago islands. However, if you really can't tear yourself away from the white sandy beaches, why not enjoy delicious local fare at the beachside restaurants, book a private hammock picnic, or enjoy yoga and meditation at the thatched-roof beach pavilion.

With its romantic setting and quiet, private atmosphere, it won't come as a surprise that Palm Island is a dream location for couples celebrating their honeymoon, an anniversary - or even as a spot to pop the question! Make sure you take advantage of the resort's glorious spa facilities, which include treatment rooms for couples massages, manicures and pedicures, as well as hot tubs. It's the ideal location for an afternoon of indulgent luxury before soaking with a glass of champagne and taking in the breathtaking Grenadine sunsets.

- We loved the stylish and comfortable interior of Villa Southern Cross, as well as the huge outdoor terrace.

- Villa Southern Cross is situated on a hillside location rather than on the beach front, although soft sands are just a few minutes away.
