Location & Local Information

The Oranje Hill Suite is located on the exclusive Golden Rock Resort on the small Caribbean island of St. Eustatius. This tiny but perfectly formed island is considered something of a hidden gem and is dominated by the Quill, a dormant volcano considered to be one of the most perfectly formed specimens in the world. Nature lovers will want to visit the Quill National Park during their stay on the island, which features hiking trails suitable for all abilities along the ocean and through the lush rainforests that surround the volcano. The vibe on St. Eustatius is laid back and relaxed, with guests spending their time taking leisurely walks or enjoying time at the beach, relaxing on the soft volcanic sands and taking dips in the cool, clear waters. Adventure-seekers will be interested to know that there are dive sites offshore where visitors can explore everything from coral reefs to shipwrecks.

Guests staying in the Oranje Hill Suite benefit from being able to make use of all the fabulous amenities that the Golden Rock Resort has to offer, including an extensive range of fitness and leisure activities such as a swimming pool, ocean-front gym, yoga facilities, and a tennis/basketball court. If you prefer to take life at a slower pace, the resort features 40 acres of exotic gardens to meander through, with over 100,000 species of flowers, plants and trees that attract hummingbirds and butterflies.

The resort features its own man-made beach and a saltwater lagoon - fantastic for learning how to scuba dive or free dive. Here you'll find a 30ft sunken school bus reef to explore - a unique experience that Oliver highly recommends you try!

Fine dining is a huge part of any holiday, and the resort features two exciting options. Bobbie's Beach Club serves up delicious fusion cuisine, with everything from sushi and Caribbean BBQ to traditional Italian pizza available. The club offers guests panoramic ocean views and features hammocks and swings for the ultimate luxury holiday experience. The Breeze restaurant is a must for cocktail fans, with a vast and delicious selection available, along with exquisite dishes that serve up local ingredients and a global flavour - all of which can be enjoyed while enjoying unparalleled ocean views.
