With its snug furnishing, the airy living room offers ample space to spend late nights together. Lounge on the large, puffy sofa dotted with bright pillows and watch a holiday classic on the TV.

Dig into hearty meals at the 8-seater indoor dining table. Or, spend an afternoon of family cooking in the adjoining kitchen. Modern and well-equipped, it comes with a coffee machine, refrigerator, fondue appliance, dishwasher and kettle.

Digital nomads and guests working remotely can use the apartment's speedy Wi-Fi.

The home features two double bedrooms and a cabin with a bunk bed. Two separate bathrooms are also provided, in addition to a convenient parking space and ski locker. The elevator makes the apartment accessible for mature travellers.
