Location & Local Information

Welcome to Saint-Martin-de-Belleville, a charming alpine village located in the Savoie region of the French Alps. It forms part of the famous Les Trois Vallées ski area, the largest interconnected ski domain in the world, which includes renowned ski resorts like Courchevel, Méribel, and Val Thorens. What makes Saint-Martin-de-Belleville unique is its authentic and traditional character, making it an idyllic destination for both skiers and non-skiers alike.

The village is divided into two main areas: Saint-Martin-de-Belleville - Centre and Saint-Martin-de-Belleville - Proche Centre.

Saint-Martin-de-Belleville is otherwise known as the centre and is what you'll come to know as the heart of the village, as well as its historic hub. For postcard-perfect views, this is where you'll want to come, so you can get your fill of adorable wooden chalets, romantic cobblestone streets and a church located at the very centre.

The atmosphere is one of eternal Christmas, with a warm and inviting appeal that ensures a true mountain village experience. Have a wander around the local shops and boutiques where you can purchase tasty local fare, ski gear and souvenirs for loved ones back home.

The area is renowned for its legendary après-ski sessions as well as its assortment of bars and lounges where you can enjoy a lively and friendly drink following your adventures on the slopes.

Saint-Martin-de-Belleville - Proche Centre, where you're located, offers a more peaceful and residential feel. The atmosphere is quieter and calmer here, making it ideal for families. You're still close to the action but far enough away to enjoy some serenity. You can easily access the ski slopes by foot or ski lift, making it a perfect spot for avid skiers and snowboarders.

What we love

- The location was absolutely perfect! We found ourselves in close proximity to everything we needed, and the apartment exceeded all our expectations. Its peaceful and convenient ambience provided an ideal space for my family to unwind and create lasting memories.
- The breath-taking views outside were nothing short of enchanting. Regardless of the time of year, the scenery felt as magical as Christmas morning.
- The sauna is such a nice touch. It was so lovely to spend time here after a cold wintry evening outdoors.
- The beds were a dream! Waking up each morning, pulling back the curtains, and gazing at the snow outside felt like unwrapping a special gift on Christmas day. This is truly a special place.
