What we love

- The perfect place for our trip, it was beautifully set out, close to everything we needed and very homey.
- That first view of the mountains is really quite astonishing.
- I loved how open yet cosy everything felt. The living spaces were really communal but it still felt like our own little warren.
- We loved waking up in the morning and sitting out on the balcony. Surrounded by mountains just reading a book. I can't think of anything better.
- A really elegant yet simple place – absolutely ideal for our needs.

What you should know...

- The alpine climate can cause fluctuating weather conditions. Be prepared for cold weather and pack warm clothing, including thermal layers and insulated jackets. Waterproof clothing is also handy, including waterproof footwear. You will heat up when skiing so have some light base layers ready.
- If you don't own your own gear, or don't want to pack it, you can rent pretty much everything you need, including skies, snowboards, boots, helmets and poles from the local ski store.
- If you're travelling during peak season take some time to make a reservation if there are particular places you want to visit. The area is very popular.
