What we love

- Just gorgeous. The bedrooms were really chic and decorated in quite a playful way. The kids loved there's. It was magical.
- The living space was really grand and cosy all at once. We all spent a lot of time here.
- The views were so beautiful. We came in winter and it was just so special to see the views of the village and the mountains.
- Cosiest bed I've ever slept in by far.

What you should know...

- The alpine climate can cause fluctuating weather conditions. Be prepared for cold weather and pack warm clothing, including thermal layers and insulated jackets. Waterproof clothing is also handy, including waterproof footwear. You will heat up when skiing so have some light base layers ready.
- If you don't own your own gear, or don't want to pack it, you can rent pretty much everything you need, including skies, snowboards, boots, helmets and poles from the local ski store.
- If you're travelling during peak season take some time to make a reservation if there are particular places you want to visit. The area is very popular.
