Overview

Tucked away in the coastal holiday town of Betty's Bay situated within South Africa's first UNESCO declared biosphere – the Kogelberg Biosphere Reserve – Villa Otter is a rustic, beachy, four-bedroom retreat enwrapped in natural wonder and welcoming up to eight guests.

After finding Villa Otter in a tranquil cul-de-sac flush with fynbos, guests enter the beachfront villa through an enclosed Mallorcan-inspired cobbled courtyard. From here guests will find an airy open-plan living and dining area which leads out to the patio and swimming pool. This spacious room, flooded with natural light from panoramic floor-to-ceiling windows gazing out on a sprawling expanse of mountains, sea and sky, is replete with plush sofas, cosy wood-burning fireplace, and a tastefully coastal décor.

Adjacent to the dining area is the fully equipped kitchen, complete with a range of modern appliances and ample counterspace for culinary enthusiasts to indulge their passion. Whether its tossing together a summer salad or preparing a holiday feast for family and friends, this kitchen has you covered.

Villa Otter boasts four well-appointed bedrooms. The spacious main bedroom features sun-speckled courtyard access, a super-king-sized bed, ensuite including a spa bath, and its own lounge area warmed by a crackling fireplace. Two additional bedrooms boast queen-sized beds and share a centrally located bathroom with shower and WC. A fourth bedroom, situated above the detached entertainment area, offers expansive ocean views from its own private patio, as well as an ensuite.

Despite Villa Otter's stylish and comforting interiors, it is the spectacular outdoor spaces that make this holiday home a singular and unforgettable experience. Stepping out onto the terrace reveals an al fresco dining area beside the inviting swimming pool. Surrounded by the panorama of Betty's Bay, lush coastal shrubbery and breath-taking mountains, this is a setting that stuns guests into a state of serenity.

In short, Villa Otter is an immersive experience where nature meets opulence, and every moment is an opportunity to create lasting memories with loved ones. Discover a home away from home in the heart of the Overberg, where comfort, style, and natural beauty come together.

Location & Local Information

Well-situated on the stunning Betty's Bay on the Overberg Coast, 100km from Cape Town and in the coastal sliver beneath the Kogelberg Mountains, Villa Otter feels like an island unto itself.

This picturesque coastal town is renowned along the Cape thanks to its great swimming beaches (make sure to check out Silver Sands Beach and Main Beach), mountain hiking and unique flora and fauna (including an African penguin colony). The Betty's Bay Stony Point Penguin Colony (10-minute drive) is a must visit thanks to its large population of utterly gorgeous African penguins. An observational boardwalk means visitors can watch the penguins potter about in their natural habitat without danger of disturbing their peace.

Even closer at hand is the Harold Poter National Botanical Garden (6-minute drive). This botanical garden is renowned for its diverse fynbos vegetation, indigenous plant species and stunning landscapes easily enjoyed via walking trails.

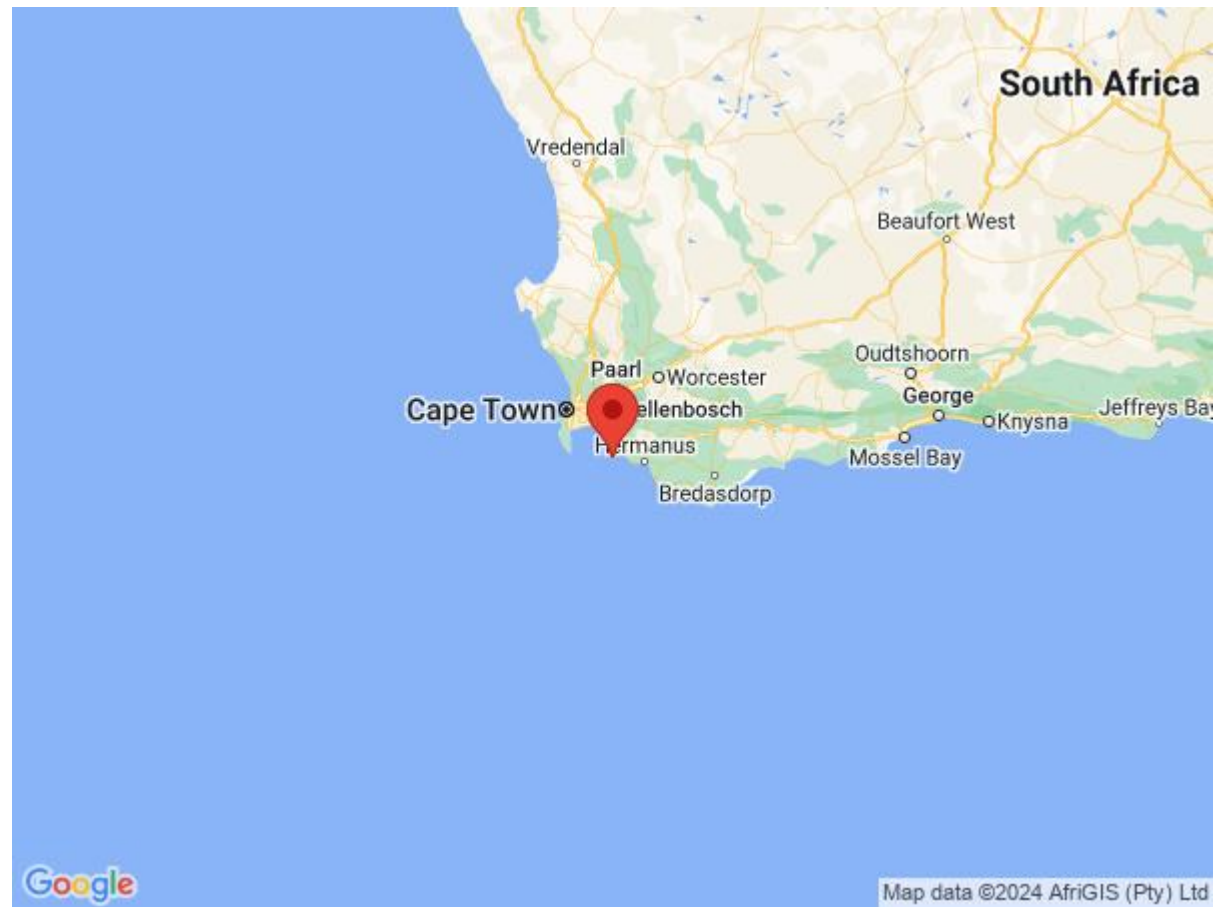

Of course, if you'd like to stretch your legs a little further, the UNESCO-designated Kogelberg Biosphere Reserve is right on Villa Otter's doorstep. This incredible area boasts exceptional biodiversity and a litany of scenic hiking trails, such as the Palmiet River Trail.

The Overberg region is also a beacon for wine lovers the world over thanks to its proximity to some of the best wine terroirs in Africa – acclaimed for its Pinot Noir and Chardonnay varietals. Many of these wineries can be found via a short coastal drive, such as Rivendell Wines (25-minute drive), Benguela Cove Lagoon Wine Estate (30-minute drive), and Escape Wines (33-minute drive), just to name a few.

If a full day of exploring the big city is your idea of fun, Cape Town (100km) is not out of reach. The city is bustling with stunning beaches, museums, wineries, and of course the iconic Table Mountain.
