Overview

Apartment Kauffman is a luxurious three-storey retreat located in the picturesque Courchevel ski resort, offering guests the epitome of alpine living with a contemporary twist. Boasting four bedrooms with ensuite facilities, this stunning holiday accommodation is a haven for those wanting to enjoy a memorable holiday with family and friends in the French Alps.

As you enter this stylish and spacious apartment, you'll be greeted by an inviting foyer adorned with sleek, minimalist furnishings that set the tone for the rest of the property. Ascending to the first floor, you'll discover the heart of the home: the open-plan living area. This expansive space combines a chic living room with a warming fireplace, a stylish dining area, and a state-of-the-art kitchen, all of which are thoughtfully designed and fully equipped to maximise comfort and convenience.

The living area is a stunning feat of contemporary design, featuring plush sofas and armchairs in neutral tones, complemented by tasteful artwork and soft lighting that exudes a sense of tranquillity. Large windows line the walls, providing breathtaking views of the snow-capped mountains and flooding the space with natural light. The modern kitchen is a chef's delight, equipped with top-of-the-line stainless steel appliances and ample counter space for culinary creations. The sleek oak cabinetry breaks from the traditional alpine stylings that typically use fir, adding a unique touch of sophistication to the space.

Adjacent to the living area is a separate heated ski room, a practical addition which ensures that guests can easily store and dry their skiing equipment after a day on the slopes.

Apartment Kauffman's bedrooms are spread across all three storeys and are all spacious and elegantly decorated with their own ensuite facilities. Each room boasts handsomely crafted furnishings and plush double beds, providing serene and private sanctuaries in which to relax and rejuvenate after an eventful day.
