Location & Local Information

Courchevel is the perfect resort to choose for skiers of all abilities. Part of the world-famous 3 Valleys, Courchevel offers a vast 660km of snow-covered peaks to choose from and is one of the largest linked ski areas in the world!

Initially a summer tourist destination, Courchevel is made up of 5 ski villages, which are named for their altitudes in metres; Apartment Quinn is in Courchevel Moriond (1650).

Known as a winter playground of the rich and famous, there are plenty of luxury boutiques, Michelin-acclaimed restaurants and top-notch hotels mainly clustered at the top altitude resort (1850), so keep your eyes peeled for celebs whilst exploring! Courchevel is also very popular with families, off-pisters and non-skiers and offers a great selection of runs for all levels, accommodation for every budget and lots of non-skiing adventures; it really is a great all round resort.

Apartment Quinn's central location in Courchevel Moriond offers a wonderful, relaxed village atmosphere. With a quiet square off the main road and traditional-style buildings, you can enjoy a wonderful choice of local restaurants and a vibrant après ski scene, as well as some awesome skiing. The ski area above Courchevel Moriond has lovely long green runs ideal for beginners, and there is a selection of blue and red runs offering great powder skiing around the Roc Mugnier, Chapelets and Gravelles lifts, which are all very close.

Advanced skiers are very well catered for as the resort and the whole 3 Valleys offer a number of challenging runs to keep powder junkies happy. The Grand Coulior and Coulior Tournier, accessed by the Saulire gondola, are both excellent and tough off-pisted and steep runs. It's well worth booking a guided lesson with an instructor to get the most out of the area.

As well as skiing and snowboarding, there is a huge array of activities to enjoy in this winter playground. Adrenalin junkies can paraglide over the snowy peaks or take charge on a dog sledging adventure. There is tobogganing, ice skating and snowshoeing, and for the ultimate dream, you can take to the skies and explore the winter wonderland from above in your own personal hot air balloon.

Courchevel is a fantastic resort to visit any time of year, and its beautiful green meadows, stunning mountain views and clear fresh air in the warmer months are truly a sight to behold. You can enjoy fabulous hiking and biking adventures, every kind of water sport, swim, boat and fish in fantastic clear, calm lakes and enjoy unforgettable Music Events on warm, balmy evenings

surrounded by nature at its best.
