# Location & Local Information

Villa Fare can be found in the unspoilt area of Faralya, known locally as Uzunyurt, a seventy-kilometre drive from Dalaman airport, located betwixt and between the cosmopolitan town of Fethiye and the beautiful sandy beaches of Oludeniz.

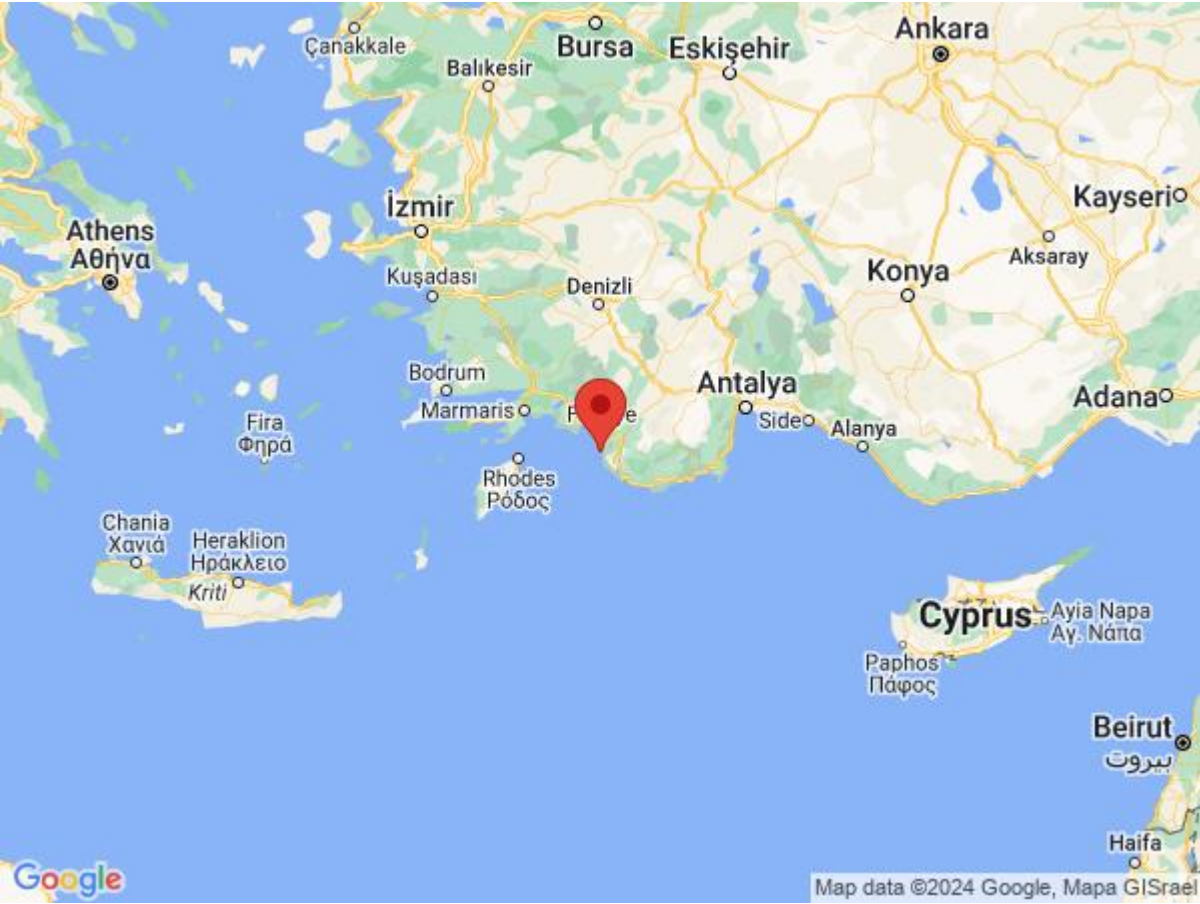

The villa is set in the hills of Butterfly Valley and enjoys breathtaking panoramic views of the Mediterranean Sea and the dramatic Lycian Way coastline. In Oludeniz, you will find one of the world's best sandy beaches, lively seashore restaurants and bars, and exclusive souvenir shops. Hop aboard a water taxi to Gemile Island, aka Aya Nikola, a natural protected area that is now an open-air museum. Take the cable car to the top of Mount Babadag. At almost two thousand metres, you can jump off and paraglide solo or in tandem and land on Oludeniz beach.

For shopping and the city, Fethiye is your destination. This harbour town is home to an ancient amphitheatre, a historical museum and rock tombs, a foodie-heaven fish market, fabulous fashion and souvenir shops, and a marina where you can embark on the twelve-island boat trip.

Hike the Lycian Way and lose yourselves in ancient Greek, Roman, and Byzantine ruins. Enjoy a traditional Turkish hammam with bubbles galore and an invigorating massage. In the evening, dine at sea view restaurants on freshly caught seafood before dancing the night away on the sands of a beach club bar.
