

Villa Hollybella

Region: Marbella Sleeps: 11

Overview

Set in the corner of an exclusive development, this impressive modern villa enjoys a secluded setting with a lovely garden and terrace that offer the perfect place to spend long days in the sun and enjoy wonderful views stretching down the coast.

Surrounded by a beautiful garden filled with vibrant planting and leafy trees, Villa Hollybella makes a striking appearance, with plenty of space inside and out for guests to relax. Newly built, the villa has been finished in a contemporary style with bright, well-designed rooms arranged across three levels. On the ground floor, the entrance hall opens onto a central living area where a splendid double-height space enjoys plenty of natural light with large openings that look out to the pool and garden beyond. Various seating arrangements invite guests to sit comfortably, whilst a generous dining table and a kitchen can be found off to one side. The rooms are smartly decorated with a modern, minimal aesthetic with unique furnishings that add a touch of colour to complement the neutral surfaces. A second, smaller living room can be found on the ground floor where a sofa and large TV offer a comfortable space for a cosy evening, whilst double doors open to the patio where you can enjoy the warm summer nights and share a bottle of wine outside.

Enclosed by well-maintained hedges and vibrant plants, the beautiful garden offers a tranquil setting to spend long sunny days beside the pool. Cool off with a swim or recline in one of the nearby loungers, and the grassy lawn extends down to a charming pond where you can enjoy some gentle morning yoga. A shaded terrace area runs along the front of the villa, where you can find an assortment of seating inviting you to relax with a book or sit in the evening and look out over the surrounding landscape.

Completely secluded, a spectacular roof terrace sits on the top floor, offering beautiful views of the surrounding landscape and making the perfect place to take advantage of the balmy evenings. A large outdoor kitchen and bar area sits beneath a pergola where you can share entertaining meals with guests, whilst an assortment of seating areas invite you to sit with an after-dinner drink and sit out under the stars.

There are five bedrooms, well-furnished with large double beds and bright, smartly decorated bathrooms. On the first floor, the impressive main suite offers the ultimate luxury: a generous walk-in wardrobe and a wonderful

bathroom with both a shower and bath. There are two private terraces, inviting you to wake up and enjoy a peaceful moment looking out over the garden or sip a coffee in the morning sun whilst admiring views over the treetops and down to the sea. Two rooms can be found on this level, whilst another two are located on the ground floor with large openings that frame views of the vibrant garden.

The lower level is well-suited for rainy days, where guests can spend the afternoon relaxing beside the indoor pool and making the most of the private spa area, whilst an elaborate home cinema and bar area (not stocked, but we can arrange that for you!) are perfect for enjoying an evening of entertainment.

Location & Local Information

Located in a prestigious private development, Villa Hollybella enjoys a secluded setting whilst being just a short drive away from the beach and lively town of Marbella, making it easy to explore the region's glorious coastline.

Just a few minutes by car, there are several options to spend the day beside the sea. Playa Nagüeles is a popular spot, lined with exclusive restaurants and hotels, or head along the coast to the Blue Flag beach at San Pedro de Alcántara, where you can walk along the shore and enjoy a refreshing swim in the clear blue water. A palm-lined promenade hugs the back of the sand, forming part of the Senda Litoral de Málaga, which runs along the coast for an impressive 160km. The beach has several water sports whilst a handful of 'chiringuitos' are perfect for enjoying a bite to eat or sip on a cold beer whilst looking out to sea.

Brimming with culture, the town Marbella has lots to see and do, with a mixture of traditional barrios and chic avenues lined with shops and galleries. Wander the vibrant streets or visit the old town, where you can discover the shaded squares and historic buildings. Plaza de los Naranjos is a lovely spot to stop and enjoy a drink or perch on the fountain with ice cream from Mauro's Heladería and soak up the lively atmosphere. There are a number of interesting art galleries to see, such as the Hospital Bazán, which has a collection of works from renowned artists such as Picasso, Miró and Chillida, or wander along the Avenida del Mar to see a series of intriguing bronze sculptures designed by Salvador Dalí.

To escape the heat, there are several parks tucked within the town where you can join loads and share a picnic beneath the shelter of the trees. Once part of a private residence, the Parque de la Constitución is a tranquil refuge from the bustling town, whilst La Alameda features lovely shaded avenues with colourful tiles and charming fountains. There are plenty of bars and restaurants dotted around the town where you can enjoy delicious fish and seafood or sample the region's cuisine. Tucked in the old town, Taberna La Niña del Pisto serves up a typical Spanish menu whilst hidden down a narrow alley, the family-run Bar El Estrecho is a great place to enjoy some traditional plates tapas, such as 'sardinas al limón' and delicious 'ensalada de pulpo'.

Whilst known for its paradisaic beaches, the region's interior landscape has plenty to discover, with the beautiful Sierra Blanca rising away from the coast. Explore the scenic foothills wandering through the shaded pine groves, or take a more challenging route up the rocky slopes following the path to the summit of La Concha, where you will be rewarded with spectacular views over the surrounding area and down to the coast. There are a number of charming hillside villages nearby or hop in the car for about an hour and discover the

historic town of Ronda with its dramatic setting and rich history.
