Region: Courchevel Sleeps: 12

Overview

Settled in the heart of Courchevel Village, Apartment Lazy Bear stands as a testament to modern elegance amidst the rustic charm of the French Alps. Housed in a newly built residence, this apartment isn't just another dwelling; it's an experience that combines the best of traditional alpine chalets with the sleek sophistication of contemporary design.

Imagine waking up mere footsteps away from the gleaming white slopes, the promise of a day's adventure beckoning. This prime position, right at the base of the ski runs and just a stone's throw (one-hundred-and-fifty metres, to be precise) from the buzzing heart of the resort, positions you perfectly for both action-packed days and vibrant nightlife.

However, it's not just about location. Spanning three floors in a spacious layout, Apartment Lazy Bear comfortably hosts up to eight adults and four children. With the first and top floors catering to restful slumbers in five luxurious ensuite bedrooms, the apartment ensures utmost privacy. With its four cosy beds, the children's enclave promises whispered midnight tales and laughter. In contrast, the second level, an airy expanse, effortlessly merges a contemporary living room with a heart-warming fireplace, a spacious dining area, and a state-of-the-art kitchen. The design, accentuated by crisp whites and fluid, organic structures, evokes an aura of chic modernity.

The sauna promises a therapeutic escape for those searching for more profound relaxation after an exhilarating day on the slopes. Should you wish to swap ski boots for swimming attire, the Aquamotion water sports arena in Courchevel awaits your splash.

Boasting direct ski-in/ski-out access, the entire Three Vallées domain – encompassing Courchevel, Méribel, and Val Thorens – is your snowy playground. As the day winds down and the après-ski festivities beckon, there's nowhere better to call home than Apartment Lazy Bear.
