Location & Local Information

Enjoying a quiet setting, Boutique Alicante is just a short walk from the charming village of Busot, where you can find a variety of local amenities, or hop in the car and head to the coast to discover the golden beaches and animated seafront towns.

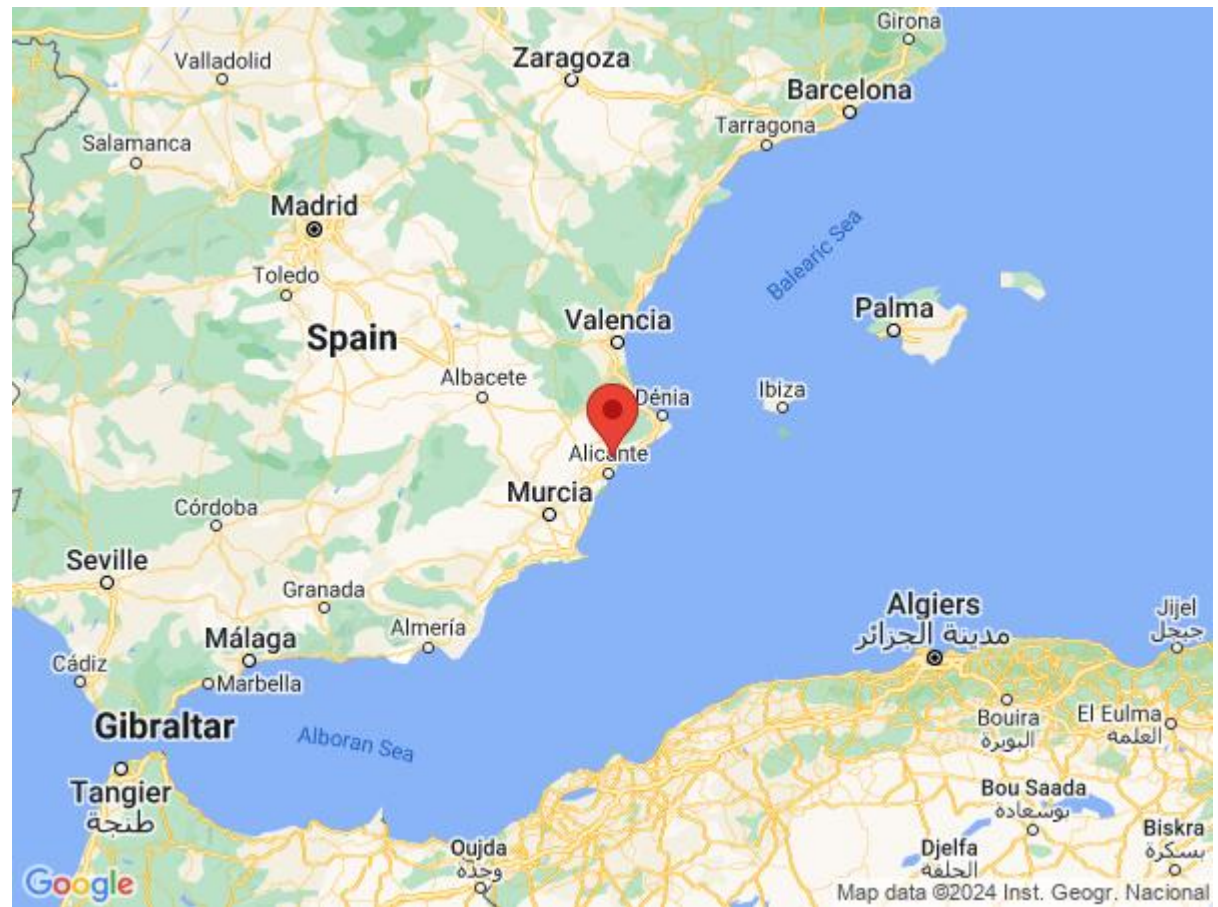

Just a 10-minute drive away, El Campello boasts an animated seafront with a long sandy beach and calm, blue waters. Wander along the shoreline, dip in the sea, or head to the port and enjoy a delicious plate of fresh seafood at one of the local restaurants. The neighbouring Playa de Mutxavista sprawls along the coast, with a palm-lined promenade tucked to the rear of the sand. From here, you can walk for several kilometres before joining a path leading out to the Cap de l'Horta lighthouse, where you will be rewarded with magnificent views stretching to the north and south.

Alicante can be reached in less than 30 minutes, where the lively town has something for everyone. Stroll through the Parque de la Ereta and stop by the Santa Bárbara Castle to admire the 19th-century construction built over what was once an ancient Arabic fortress. The castle occupies a strategic viewpoint atop a hill, with a beautiful panorama out over the coastline, and a cafe awaits with a refreshing drink. Back in the town, Alicante's tiled esplanade invites you to stroll, join the locals for their evening paseo, or stop off at the popular Kiosko Peret to enjoy a delicious ice cream. Alicante's old town is a maze of winding streets, with steep staircases and colourful houses, and you can get lost amongst the narrow lanes or head to the Mercado Central. Discover rows of vibrant stalls stocked with fresh produce to buy whilst several counter bars invite you to sample regional delicacies or share a few plates of tasty tapas.

Like the rest of the coast, Alicante has several glorious beaches where you can spend a relaxing day. Playa del Postiguet boasts a lovely stretch of pristine white sand, or just outside the city, the rocky inlets of Cabo de la Cuerta offer a more secluded setting, perfect to enjoy a picnic on one of the flat rocks and share a more intimate evening watching the sunset.
