

# Bermondsey Loft

Region: London Sleeps: 4

## Overview

Live the London life in this chic warehouse loft on buzzing Bermondsey Street. The loft, within easy walking distance of London Bridge, is a unique sanctuary in the heart of the big city.

As you enter this two-bedroom, two-bathroom space, you're welcomed by the warm colour tones of a long and spacious hallway replete with plenty of storage space. The loft's vibrant décor comes into its own in the open-plan kitchen, dining and living area. Traditional warehouse windows built into the exposed brick along the length of the open living and dining area provide exceptional natural light – not to mention the views of the London skyline, including the Shard.

The sleek furnishings of the modern open-plan kitchen will make it difficult to decide whether you should stay in and cook or head out to see what London has to offer. Either way, you're in good stead at Bermondsey Loft. And if you just want to curl up with a cup of tea, there is no shortage of plush sofas and cosy nooks to rejuvenate you.

Stepping into the king-sized bedrooms, the tasteful décor takes it up a notch. The first bedroom's patterned wallpaper and bright touches exude a playful vibe. The second bedroom is equally funky, perhaps more so thanks to touches of faux animal print. Both rooms boast seating areas, while the latter also includes a small desk/vanity.

The bathrooms are just as eclectic but lack nothing in terms of amenities. Each sports its own interior design cues and is equally inviting whether you're getting ready to hit the town or just want to lay back in a warm bath.

By blending vibrant and funky style with cosy creature comforts, this is the perfect base from which to launch your London escapades.

## Facilities

City Homes & Apartments • Easy By Train • Ideal for Babies & Toddlers • Wi-Fi/Internet • Laptop Friendly Workspace • Washing Machine • Dishwasher • Microwave • Coffee Machine • Hairdryer • TV • Lift

# Interior & Grounds

Separate shower/WC

Separate bath/shower/WC

### **Additional Facilities:**

Wi-Fi

TV

Air conditioning

Washing machine

Laptop friendly workspace

Heating

Elevator

Baby cotg options before arriving

## Location & Local Information

The quality of transport links is often the key to any London location, and Bermondsey Loft is especially fortunate. The nearby London Bridge station (10 minutes by foot) provides easy access to the Jubilee Line, Northern Line, Overground and National Rail trains, making getting around London a carefree task.

Bermondsey is a lively neighbourhood with a lot on offer. Walking around, you'll find the area rich in vibrant street art. Indeed, Bermondsey Street itself is lined with contemporary art galleries and studios. Poke your head into the White Cube Bermondsey for a peak into the very latest international contemporary art.

Foodies won't find it hard to savour the flavours of London, given the delicious cuisine at local eateries and trendy cafes. Maltby Street Market is an absolute must. This feast for the senses boasts enough artisanal food stalls to make your eyes water (but it will have your mouth watering first). Once you've had your fill, you should probably return to the comfort of the loft to recharge – because Bermondsey's effortlessly cool collection of bars, pubs and nightlife spots will keep you occupied until the early hours. The renowned Bermondsey Arches is a great place to sample some of London's craft beers and an equally good place to start a night out.

The neighbourhood is also spoilt for green spaces. Indeed, within a few blocks of the loft, you'll find a handful of pleasant parks with tree-lined paths and cafes to watch the city hum along. Once you're well caffeinated, there are plenty of things to see and do, from landmarks such as Tower Bridge and Bermondsey Abbey to brilliant museums such as the Fashion and Textile Museum or the Tate Modern, housed in a former power station on the Thames River.

## Local Amenities

Nearest Airport	<b>London Heathrow Airport (27 km)</b>
Nearest Train Station	<b>London Bridge Station (650 m)</b>
Nearest Supermarket	<b>Sainsury's Local (260 m)</b>

## What we love

- The chic and happening décor of Bermondsey Loft will keep you invigorated throughout your London adventure
- The loft's proximity to landmarks, attractions and funky neighbourhood haunts will make it feel like the epicentre of the city
- With London Bridge barely a 10-minute walk, the whole of London is close at hand

## What you should know...

- This is not a party house. If you want to party all through the night, there are plenty of happening spots in the vicinity
- Although this loft has lift access, it is unfortunately not wheelchair friendly
