Location & Local Information

Nestled in the heart of the Tignes-Val d'Isère ski area, Apartment Le Coquelicot offers winter sports enthusiasts an extraordinary playground with an extensive 300 km of slopes that connect these two renowned neighbours. This interconnected ski area has been a haven for skiing enthusiasts, hosting prestigious events such as World Championships, European Cup competitions, and even three freestyle skiing events during the 1992 Olympic Games.

Tignes, a dynamic and multifaceted resort, goes beyond traditional winter sports, offering an array of original and varied activities. From the thrill of ice diving to the excitement of skijoring, dog sledging, and ice karting, the options are as unique as they are fun, promising experiences to enjoy without moderation!

Beyond its reputation as the "sportiest ski resort", Tignes caters to a diverse audience, with initiatives like the "1,2,3... SKI START" areas designed for families and beginners. The resort, open 365 days a year, transforms into a summer paradise each year, inviting visitors to explore paragliding, microlight flights, tennis, beach volleyball, golf on Europe's highest course, archery, mountain biking, paddleboarding, sailing, and water jumping on the lake.

Tignes, perched at an altitude of 2,100 metres, offers exceptional exposure and a panoramic 360° view within the Vanoise National Park. The park, the first natural park in France, safeguards the local flora and fauna, allowing visitors to admire chamois, ibexes, marmots, golden eagles, and more. As an eco-responsible resort, Tignes won accolades in 2017 for its commitment to environmental sustainability, earning two flowers in the competition for towns and villages in bloom.

The allure of Tignes extends beyond its outdoor adventures; it captivates with its frozen lakes, glaciers, waterfalls, and a gastronomic scene featuring local delights like blueberry pie and savoury Savoyard cheese-based dishes. Whether you're an adrenaline seeker, a nature lover, or a culinary enthusiast, Tignes promises an all-encompassing experience that transcends the ordinary, making your stay at Apartment Le Coquelicot not just a holiday but an exploration of alpine wonders in every season.
