Location & Local Information

Surrounded by fragrant pine forests and the turquoise waters of the Adriatic Sea, Brela is one of the Makarska Riviera's most idyllic coastal towns, boasting plenty of convenient local amenities and a treasure trove of beautiful beaches for visitors to explore. The town's most iconic beach is Punta Rata, a dreamlike cape known throughout Croatia and beyond for its warm, crystalline waters, white pebble shores and lush Mediterranean greenery. The shallow waters of nearby Podrace Beach are ideal for families. At the same time, the town also offers plenty of water sports facilities for adventure seekers, with activities such as parasailing, sea kayaking and scuba diving on offer!

Villa Fura's superb location offers guests a gateway to some of the most stunning sights of the Croatian coastline. Makarska is a lively resort town only twenty minutes away from Brela by car, offering visitors a distinctive cultural heritage, excellent gastronomic experiences, beautiful architecture and diverse landscapes to enjoy. The Biokovo Nature Park is a hiker's paradise, set amidst the spectacular natural beauty of the Biokovo mountain range, with challenging yet enjoyable trails offering panoramic views of the sea. The newly-constructed Biokovo Skywalk is a horseshoe-shaped glass walkway that juts out of the limestone cliff, providing an exhilarating viewpoint for those who feel brave enough to take it on!

Only twenty-five kilometres away from Brela, visitors are unlikely to forget the majestic cliffs of Omiš, a vibrant coastal town with a reputation for being Croatia's adventure capital, as well as a fascinating history of pirates and fortresses! Here, you can relax on the beach, hike along the coast, enjoy water sports on the emerald River Cetina, or wander the old town's cobbled streets. Visitors can enjoy canyoning experiences along the gorges and waterfalls of the River Cetina, as well as zip lining above the river's rugged ravine. The coast provides plenty of opportunities for sea kayaking, while whitewater rafting experiences through the rapids of the Cetina are perfect for those who dream of an adrenaline-fuelled afternoon!

If you would prefer to keep your feet planted firmly on dry land, why not embark upon a challenging but enjoyable hike up to the Starigrad Fortress? Known locally as Fortica, it takes roughly forty-five minutes to reach this fifteenth-century hilltop fortress, where you can enjoy sweeping views of the sea and the dramatic cliffs. For a less strenuous walk, the Mirabella Fortress in Omiš is only five minutes away from the town's main square. Built in the thirteenth century, this Romanesque fortress was used by local pirates for shelter and protection. Today, the fortress offers breathtaking views of the gorge and the town's pretty harbour.
