Location & Local Information

Beautiful Albufeira is one of the most popular seaside resort towns in the Algarve. The Old Town, with its fascinating history and Moorish-inspired architecture, is certainly worth checking out, especially the square known as Largo Engenheiro Duarte Pacheco. The square and its surrounding streets are brimming with restaurants, cafes, bars, and independent shops. Something fun to check out is the Albufeira Tunnel, which connects the Old Town to the main beach.

From the Old Town, there are two other interesting sights, including the Old Fisherman's neighbourhood overlooking the sea at Praia Pescadores and the beach at Peneco, which can be reached through an impressive glass elevator.

Albufeira is also happy to oblige those who are looking for a taste of local nightlife. A street known as The Strip, which is lined with restaurants, bars, and nightclubs, is brimming with bright neon lights and excitement into the early hours of the morning.

The various beaches of Albufeira, including Praia do Tunel, Praia do Peneco, Praia Pescadores, and Praia dos Alemaes (where the villa is located), may all bear different names but are actually all connected in one giant, white-sand beach ideal for swimming and long walks by the sea.

One of the best things to do anywhere along the Algarve coastline is a scenic boat tour. There's a variety of tours, from sightseeing ventures to stunning coastal cliffs and caves (with the famous Benagil Cave as the sure highlight). But there are also dolphin-watching tours and water sports adventures such as parasailing, jet skiing, kayaking or paddle boarding.
