Location & Local Information

Situated in the heart of the dynamic and multifaceted Tignes resort, Apartment Harriet boasts a prime location just 170 metres from the vibrant centre. The proximity to the lively hub ensures easy access to the diverse attractions that make Tignes a year-round destination for a large and diverse audience.

Tignes isn't just a winter wonderland; it's a resort that pulsates with life 365 days a year. As you step outside, you're greeted by the breathtaking Grande Motte glacier, standing tall at 3,456 metres. This icy giant has been the playground for summer skiing enthusiasts since 1967, attracting top athletes and hosting major sporting events. The 300 km of interconnected slopes in the Tignes Val d'Isère area transforms the landscape into an exceptional skiing haven, hosting prestigious competitions such as the World Championships and the European Cup.

Beyond skiing, Tignes unfolds a plethora of activities for all adventure seekers. Winter offers the thrill of ice diving, a heart-racing toboggan run on the "Palafou," snow tubing, sledge dog rides, and daring off-road ski corridors. Yet, Tignes doesn't rest on its laurels as the "sportiest ski resort." It caters to families and beginners with the "1,2,3... SKI START" areas equipped for safe skiing initiation.

Come summer, Tignes transforms into a playground for diverse activities. Paragliding and microlight adventures fill the skies, while the 18-hole golf course, the highest in Europe, beckons golf enthusiasts. Tennis, beach volleyball, archery, mountain biking, paddle, pedal boats, sailing, and water jumping on the lake offer an array of choices for outdoor enthusiasts.

Tignes is not just about sports; it's a town that has hosted the French football team's training courses, welcomed the Tour de France, and is situated on the fringes of the Vanoise National Park. This proximity ensures encounters with protected wildlife like chamois, ibexes, marmots, and golden eagles. As an eco-responsible resort, Tignes won two flowers in the "Towns and Villages in Bloom" competition in 2017.

Amidst all these adventures, remember to savour the local gastronomy, featuring delightful blueberry pie and many Savoyard cheese-based dishes. In Tignes, every season unfolds a new chapter of excitement, adventure, and natural beauty—a true year-round Alpine haven.
