

Villa Chenille

Region: Antigua Sleeps: 6

Overview

Nestled in the heart of English Harbour Marina, Villa Chenille offers a retreat like no other, blending historic charm with modern comfort and breathtaking views that stretch as far as the eye can see. As you step into the main house, you're greeted by 1500 square feet of living and entertaining space that will surely leave you in awe. With its original stone base, the ground floor sets the stage for a journey back in time, as the rebuilt Georgian maritime residence exudes a timeless elegance.

The airy interiors feature 25-foot high vaulted ceilings adorned with wooden louvered windows and doors inviting the trade winds' cool breezes. Whether you're relaxing in the open-plan kitchen or finding solace in the shaded, north-facing gallery, a sense of tranquillity envelops you. The main house boasts three bedrooms, including a Master Bedroom sanctuary complete with its own balconies offering panoramic views of Falmouth Harbour, and two more bedrooms, each with its own air-conditioned comfort and ensuite bathrooms, ensuring every guest feels right at home.

Adjacent to the main villa, a two-bedroom guest cottage beckons with its own stone-walled garden and captivating vistas of Montserrat. Inside, a fully equipped kitchen and spacious living and dining area set the stage for intimate gatherings and relaxed evenings under the Caribbean sky. This separate, self-contained property is ideal for larger groups, including those travelling with parents/grandparents or older teens, offering privacy from the rest of the group when needed.

Outside, the allure of the villa continues with an array of amenities designed for both relaxation and adventure. A large outdoor dining pavilion overlooks the pool deck and Pigeon Beach, inviting guests to indulge in alfresco dining against a backdrop of azure waters. The adjacent signal tower, now rebuilt as an observation post, offers a nod to the villa's maritime heritage, while the old powder magazine houses sun loungers and a hammock, perfect for lazy afternoons in the sun.

For the more active guests, the 50-foot pool provides a refreshing oasis for swimming or simply soaking up the Caribbean sun. Beyond the pool deck, the ornamental lily pond and lush gardens create a serene backdrop for outdoor yoga sessions or leisurely strolls. And for those seeking adventure, direct access to the water beckons, promising snorkelling and ocean dips just steps away from your doorstep.

With its blend of historic charm, modern amenities, and stunning vistas, Villa Chenille offers an unforgettable escape for discerning travellers seeking privacy and tranquillity amidst the vibrant energy of English Harbour Marina.
