

Casa Caribe

Region: Llafranc Sleeps: 6

Overview

Enter through the garden gate to Casa Caribe, your mountain view holiday home near the Llafranc Lighthouse on Spain's northeast Costa Brava coast. This two-storey, semi-detached villa has three spacious double bedrooms and can comfortably accommodate up to six guests, ideal for a family holiday or a group of friends sharing. The house is set in a small complex of eight similar villas and comes with its private garden, access to a shared communal swimming pool, and gorgeous well-maintained grounds. The property is built of traditional local stone, with wood shuttered windows and a wrought iron balustrade balcony overlooking the pool and garden. The interiors are designed for comfort, furnished with contemporary pieces, and decorated in a simple colour palette of crisp, clean white, with splashes of primary colour highlights.

The light and airy open-plan ground floor is laid out studio style. The seating area has two comfy sofas, a coffee table, a sideboard above a flat-screen television, and a fireplace for those cosy evenings in. The wood and white kitchen is fully equipped with all the appliances you will need to cater for your holiday, including a breakfast bar with tall stools and that must-have morning coffee maker. The adjacent six-seater dining set is perfect for some informal indoor entertaining. Take the stairs to the first floor, where you will find three double bedrooms. The main bedroom has a double bed, bedside tables, a spacious wardrobe, and access to the pool and garden view balcony. The other two bedrooms are both twin rooms, with one also having access to the balcony. There are two bathrooms with showers, one in blue and the other in pink.

A tall hedge for privacy and shade encloses the garden. Here, you can lie out on inviting sun loungers under shady parasols or sit at the seating set and catch up with this summer's best seller. As dusk falls meet at the six-seater dining set, and feast alfresco with dishes freshly grilled on the brick barbecue. A garden gate leads straight to the swimming pool and manicured Mediterranean grounds, where you can enjoy the day under a Spanish sun.
