

Villa Nelson

Region: Lake Como **Sleeps: 9 - 10**

Overview

Nestled amidst the serene beauty of Italy's most dramatic lake, Lake Como, lies Villa Nelson, a timeless testament to luxury and tranquillity. This exquisite haven, amongst Lombardy's lush forests, was born from the dreams of a Milanese architect and his family over half a century ago.

Crossing the threshold, you are greeted by interiors that exude warmth and comfort. Each room, lovingly designed and adorned with bespoke furnishings, tells its own story. The master bedroom, a sanctuary on the first floor, offers sweeping views of the majestic Alps through traditional French windows. Here, antique bedside tables and a 15th-century chest of drawers whisper tales of bygone eras, while the en-suite bathroom, adorned in sage green and natural wood, promises moments of indulgent relaxation in its fabulously large bathtub.

Wandering through Villa Nelson, you encounter the distinctive personalities of its owners reflected in every corner. The double bedroom on the ground floor, with its oak floor and custom-made oak bookshelves, beckons with the promise of literary escapades, while the twin bedroom, adorned with a Venetian painting, invites you to embrace your creative side. One of the single bedrooms, once painted in bold hues of green and red, now offers a tranquil retreat with its antique bookcase and sunlit window.

Outside, Villa Nelson's enchanting gardens beckon you to embrace nature's splendour. A vast private garden framed by towering trees offers a sanctuary for quiet contemplation or joyful exploration. The eco-pool, a shimmering oasis amidst the verdant landscape, tempts you to immerse yourself in its refreshing waters.

Villa Nelson is not merely a villa; it is a tapestry of memories, a sanctuary of serenity, and a gateway to the enchanting allure of Lake Como. Here, amidst the timeless beauty of Lombardy, every moment is imbued with luxury, colour, taste, fragrance, and warmth.
